

## Door & Panel Sizer DT-610

The Dotul Door & Panel Sizer, DT-610, sizes to length a door or panel, top & bottom using four blades that score and cut, producing a clean cut on both ends.

### Features and Benefits:

- Easy to load table - Safely locks in place while loading.
- One operator can easily load the door or panel - Greater efficiency.
- One stationary head and one movable head - Easy to change.
- Fixed side, saw tilts; Movable side, saw is fixed - Allows for beveling.
- Dust collection ports for all four saw blades - Easier cleanup.
- Two 6" saw blades score the bottom prior to the main blades - For a clean cut.
- Two 12" main saw blades are used with a 5 HP motor - Producing a quality cut.
- Dust Collection Kit: Can be hooked up to a central dust collection system.
